LOGAN COUNTY HISTORICAL

Summer 2017 , Volume III, Issue III

Greetings Members,

I am saddened to share that this will be my last newsletter as the Director of the Logan County Historical Society. I am extremely proud of the work accomplished during my time with LCHS and I want to thank the board and members for their support over the last three years. I have decided to accept the position of Director for the Sheerar Museum of Stillwater History and will be wrapping up my time with LCHS at the conclusion of the summer series.

On a happier note, our Frontier Country Exploration series at the Frontier Country Museum is growing in popularity. We have had over 65 visitors attend the Saturday programs and another 150 students attended the Wednesday program with the Crescent Summer School. The series runs every Saturday until August 19th, with different programming each Saturday. Check out the programs at www.frontiercountrymuseum.org or look inside and catch a glimpse of all the fun.

Happy Exploring!

Amy Loch, Director

This month the LCHS helped Bob Powell put together a slideshow of Guthrie's movie theaters for the Lions Club meeting on June 23rd. The Powell family has owned and operated a number of movie theaters in Guthrie since the teens, including the Beacon Drive-in which is still in the Powell

Family. Powell agreed to allow LCHS to create a virtual exhibit from his photos and stories for our website. Check it out at www.logancountyhistoricalsociety.org/movietheaters

The mission of the Logan County Historical Society is to conduct its activities in a manner which shall serve to preserve and perpetuate the history of Logan county and its people.
